So what happens at SonRise?

SonRise is a time packed with a wide range of activities which follows on from its younger sibling – Camp Under the Son (CUTS). It is supervised by a team of experienced leaders who make every effort to provide a holiday that will benefit the young people both physically and spiritually. It is our aim to provide this within a safe and happy environment. Each day will contain a wide range of sporting activities, Bible teaching, games, crafts, and much more. On the final night there will be a barbeque which parents are warmly invited to.

The cost of the camp is inclusive of food and dormitory style accommodation. A tuck shop will be available so you may wish to bring some money. Upon receipt of the full fees, further information about SonRise and a medical form will be sent to you. This form will support the care of your young person and should be presented to a member of the leadership team when you arrive at camp. If possible, we would ask that you bring a camp bed for your young person, however, if you do not already have one, the camp will have some spares that you can use. SonRise 2020 is organised by Meadow Way Chapel Hellesdon, and Hellesdon Christian Disciples, and adheres to the Meadow Way Chapel Church Safeguarding Policy.
